

HAVE A HOME TO SELL?

NEED SOME TIME BEFORE YOU MOVE IN?

Consider The GHO Year to Close Program*

On most of our new homes GHO will delay your obligation to close on your new home for up to ONE FULL YEAR from the contract date.

The Benefit to You is:

- Today's base price on the home of your choice, typically avoiding 2 or more price increases and having a good chance for built-in equity into your new home.
- Choose your unique home site now and take off the market.
- Take advantage of any promotions or specials that may be running at this time.
- Plan your move, retirement, sale of your existing home etc., knowing when your new home will be ready.
