

Still have a home to sell?
Not quite ready to move right now?

Need a little more time?

Consider the GHO Homes
Year-to-Close Program*

On most of our new homes, GHO Homes will delay your obligation to close on your new home for up to **ONE FULL YEAR** from the contract date.

**Please consult your GHO Sales Rep as this program is not available on all lots and in all communities.*

The benefit to you is:

- Today's base price on the home of your choice, typically avoiding 2 or more price increases and having a good chance for built-in equity in your new home.
- Choose your unique home site now and take it off the market while it is still available.
- Plan your move, retirement, sale of your existing home etc., with the peace of mind that comes with knowing when your new home will be ready.
