News Release – 12/1/2010

West Palm Beach --- GHO Homes Corp., builders of value-added new homes in South Florida for more than 25 years, recently announced that it will soon begin construction of new homes in three Vero Beach residential communities, renewing its presence in the Treasure Coast.

Two generations of the family-owned company have built their reputation based on the design and construction of quality homes. Committed to excellence and customer satisfaction, GHO Homes has built homes in Broward, West Palm Beach, Sebastian and Vero Beach. With their current focus on Florida's Treasure Coast and its advantageous lifestyle, all GHO homes are built with energy-efficient materials and methods, and feature the latest design features and finishes.

The three Vero Beach communities are Fieldstone Ranch, offering single-family estate-style homes on oversize lots on priced from the high \$100's; Trillium, offering single-family homes from the mid \$100's; and Stoney Brook, offering single-family estate homes on huge lots priced from the \$290's. All three residential communities are located in Vero Beach featuring easy Interstate access in a setting that is only minutes from the beach, shopping, dining, great K-12 schools, medical facilities, and recreational venues.

In addition, GHO Homes offers homebuyers their exclusive "GHO Tailor-Made Program," which allows homebuyers to customize their new homes with numerous options, built-ins and upgrades that far exceed industry standards. The GHO Tailor-Made program sets GHO Homes apart from its competitors by providing a wide range of floor plan options, including the homebuilder's Generations Series. They regularly provide customers with a custom one-of-a-kind home, at a value balanced to their needs, and the large number of repeat GHO homebuyers confirms that the GHO Tailor-Made program has been a resounding success with their customers.

At Fieldstone Ranch, GHO Homes is offering homebuyers an impressive lineup of great home designs that blend beautifully with the surrounding country setting. The oversized home sites (80' x 150') offer large lawn areas with setbacks, allowing ample room for expanded outdoor living areas, a swimming pool, gardens and privacy. Many of the spacious lots are lakefront properties, lending a serene setting; and the sidewalks and master lake-fed irrigation system are just a few of the advantages residents enjoy when they build inside Fieldstone Ranch.

Fieldstone Ranch is located at 6125 77th Street in Vero Beach. From I-95, take Vero Beach exit 147 to Rt. 60 East. Turn left on 66th Avenue for 6 miles, then right on 77th Street. The entrance to Fieldstone Ranch is on the right. For more information on Fieldstone Ranch, Trillium and Stoney Brook, call (772) 257-1100 or email sales@ghohomes.com.
