**A**t Grand Harbor Golf & Beach Club, the appeal goes far beyond picturesque landscapes and championship golf. For more than three decades, it has been the sense of community rooted in tradition and genuine connection that sets this Vero Beach club apart. Whether you are teeing off with friends, playing competitive sets on the courts, or sharing a sunset at the Beach Club, Grand Harbor offers more than amenities; it delivers unforgettable experiences and lasting friendships.

The camaraderie begins on the course. Set amid mature oaks, secluded wetlands, and scenic vistas overlooking the Indian River Lagoon, Grand Harbor has established itself as a premier 36-hole golf club. The journey starts on the Harbor Course, originally crafted by the legendary Pete Dye. Its tiered greens, rolling fairways, and deep pot bunkers pay homage to the classic Scottish links style. The River Course, designed by Joe Lee, winds gracefully through salt marshes, along the Intracoastal Waterway, and around the residential island, offering an unmatched golfing experience. Hole 14 provides spectacular views of the lagoon and mangroves, making it one of the most challenging and scenic holes. To enhance the member experience, the club is developing a state-of-the-art golf practice facility and adding croquet courts.

Beyond golf, the Beach Club offers a welcoming space where members relax and connect. With a poolside bar and garden terrace overlooking stunning ocean views, world-class cuisine, and a new sushi bar, it provides an exceptional dining experience in a tropical setting. Located on one of the Treasure Coast's private beaches, the club features a heated pool and

attentive service, creating a serene paradise for members.

For those leading active lifestyles, Grand Harbor boasts a dynamic racquet sports and fitness community. The sports complex includes eight new pickleball courts, bocce, and 10 Har-Tru tennis courts. Grand Harbor will host the Vero Beach International Tennis Open from January 26 to February 1, 2026, featuring top-ranked Women's Tennis Association professionals. Plans are underway for a cutting-edge, two-story wellness and lifestyle center, which will include spaces for group classes, personal training, spa services, and scenic workout areas overlooking the Indian River Lagoon. A 144-slip marina completes the amenities within the gates.

For those seeking an exceptional lifestyle-driven community, GHO Homes offers The Falls and The Reserve. The Falls features island-inspired designs starting in the upper \$600,000 range, with move-in-ready options priced between \$700,000 and \$800,000. The Reserve offers waterfront and golf course views, with homes ranging from \$1.7 million to \$2.5 million and spacious layouts over 3,600 square feet. Homes can be customized to match the buyer's lifestyle through GHO Homes' Tailor Made Program and the extensive options available at their Design Studio. GHO Homes also covers the initiation fee for a Sports Membership with the purchase of a new home, subject to club approval.

Memberships in various categories are available to residents and non-residents, providing access to a relaxed yet sophisticated lifestyle. Whether your passion is golf, racquet sports, or simply enjoying a vibrant social atmosphere, living Grand has never been better.
